---------------	---

## Image Evaluation Topics for 2018

You may have noticed that we mention book design a few times during the year.

In September, the set subject is Book Design where you have to produce your own book. Specific details later, but the Syllabus Committee continue our quest to broaden your horizons (Photo Essay in 2017 and again in 2018, Book design in 2018).

### **February**

Detail

Definition: Detail can be explained as any small section of a larger structure or whole.

### **March**

Unrestricted

### **April**

AV and Triptych

### **May**

KPS 'National' (Mono, Photojournalism, Nature, Portraits and Scapes).

### **June**

Unrestricted

### **July**

KPS Monochrome Interclub

### **August**

Below 500mm

Definition: The camera is to be located less than 500 mm (0.5 metre) above the ground or floor when the photo is taken. We are looking for a low-angled photograph.

### **September**

Book Design

### **October**

Unrestricted

### **November**

Emotion

Definition: The photograph should either depict strong emotion shown in the subject of the image or elicit strong emotion from the audience.

The Photo Essay

### **December**

Image of the Year, Paul Burke People's Choice, Club Person of the Year, Encouragement Awards
